BROOKHAVEN

CENTER FOR REHABILITATION AND HEALTHCARE

A MESSAGE FROM OUR ADMINISTRATOR

The last month has been a busy one at Brookhaven. We had many exciting activities with our residents and celebrated National Skilled Nursing Care Week with our staff.

We are looking

forward to the state continuing to reopen and things getting back to normal. Thankfully, we have seen a steady decrease in the number of COVID-19 cases statewide, and vaccinations have been a significant factor in that decrease. As always, we are here for you and your loved ones, so please don't hesitate to reach out to us with any questions or concerns.

Wishing everyone a happy, healthy, and enjoyable summer!

Sincerely,

Israel E. Klein, LNHA
Administrator

WHAT'S HAPPENING AROUND BROOKHAVEN

On National Nurses Day, our Brookhaven superheroes got some very special visitors.
Thank you to our VP of Clinical Services, Cindy Preston, for stopping by!

Sometimes, a graphic tee speaks louder than words.
We had the most colorful and fun day with our fashionable crew!

WHAT'S HAPPENING

"They helped me out immensely with physical therapy, the staff is pleasant and kind, the facility is clean, and there's a very social environment."

At Brookhaven, we value our residents and take their opinions seriously. This testimonial means the world to us, and we are so happy to have helped in such an impactful way!

On Mother's Day, we acknowledged our Brookhaven supermoms on the front lines!

WHAT'S HAPPENING

We had so much fun watching these beautiful images come to life during our paint 'n sip activity! With some non-alcoholic cider and all these vibrant colors at hand, it was a perfect Brookhaven day!

The Brookhaven residents “showered” their plants with all of their love. What a beautiful day filled with horticultural therapy fun!

WHAT'S HAPPENING

Our residents sweated it out on Senior Health and Fitness Day!
We enjoyed learning how to practice healthy life habits, and our stretch band swag is motivating us to stay moving, active, and fit.
