WHAT'S HAPPENING AROUND BROOKHAVEN

Dear Brookhaven Community,

I trust this message finds you in good health and high spirits as we embrace the enchanting autumn season. October has been a month filled with unity, reflection, and shared experiences, and I am excited to share the highlights and important acknowledgments that have made it truly exceptional.

Throughout October, we collectively celebrated the beauty of fall, finding joy in the changing leaves and the simple pleasures this season brings. It's heartwarming to witness our community coming together and strengthening the bonds that make Brookhaven a remarkable place.

Our Halloween celebrations were a testament to the creativity and inclusivity that define Brookhaven. Residents and staff alike joined in the fun, creating an atmosphere filled with laughter and joy, reminding us that age is no barrier to celebrating life's delights.

In addition to our fall festivities, we proudly participated in Breast Cancer Awareness Month, standing in solidarity with the global effort to raise awareness and support those affected by breast cancer. Through our collective support and awareness-raising initiatives, we made a meaningful contribution to this important cause.

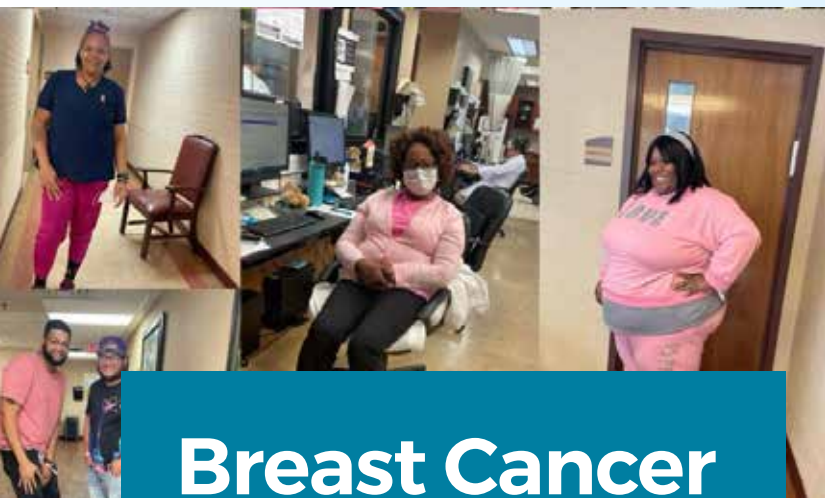

While the specific activities and events of October were important, it is the spirit of unity and togetherness that truly defines Brookhaven. Your active participation, enthusiasm, and commitment to our shared values continue to inspire us all.

As we step into November, let's carry the spirit of unity and compassion that defined October into the upcoming holiday season. Your ideas and suggestions are always welcomed as we continue to shape the Brookhaven experience together.

Thank you for being an integral part of our Brookhaven family. Here's to a November filled with warmth, gratitude, and the continued celebration of our wonderful community.

**With pride and appreciation,
Yehuda Green Administrative Director, Brookhaven**

WHAT'S HAPPENING AROUND BROOKHAVEN

Breast Cancer Awareness Month

In observance of Breast Cancer Awareness Month, Brookhaven embraced the spirit of solidarity with a “Think Pink” day, an initiative underscoring our unwavering support for those affected by breast cancer. The community donned pink garments as a visual tribute to the strength and courage of survivors and those currently battling the illness.

Our collective of pink was a silent yet potent declaration of our empathy and commitment to the cause, reinforcing that no one in this fight is alone.

The day was imbued with significance as we engaged in meaningful conversations, sharing knowledge and understanding about breast cancer. It was a time for reflection, for honoring the resilience of countless individuals, and for reinforcing our support network within the Brookhaven family. This simple act of solidarity was a poignant reminder of the community’s dedication to health, hope, and healing.

Prom 2023

Prom 2023 at Brookhaven was an evening etched in memory, truly a night to remember. As the music swirled through the grand ballroom, our residents twirled alongside, each moment of merriment framed against the backdrop of our enchanting masquerade ball.

WHAT'S HAPPENING AROUND BROOKHAVEN

Halloween 2023

Halloween at Brookhaven was a delightful affair that brought out the creative and playful spirit of our residents. Decked out in an array of 'boo-tiful' costumes, they transformed the center into a vibrant tableau of characters and colors. It was a lively celebration where witches mingled with superheroes, and pirates shared laughs with princesses, creating a heartwarming scene of community and camaraderie.

The festivities were sweetened further by an assortment of delightful desserts that were as much a feast for the eyes as they were for the palate. The air was filled with laughter, echoing through the halls louder and more joyously than the grins of the jack-o-lanterns that adorned our spaces. With every giggle and treat shared, Brookhaven's Halloween event became a cherished memory, capturing the essence of fun and togetherness that defines our community.
